**Subject:** April 3rd Meeting Summary and Proposed Conference Call

Jim,

The attached letter documents Georgia-Pacific's understanding of the discussions we had during our meeting in Chicago last week. Please let us know if it is alignment with your takeaways from the meeting.

We would also like to propose a follow up conference call to discuss several additional comments that we were not able to get to during the meeting. In an effort to capitalize on our remaining time, I suggest we schedule this as early next week as possible.

Please let us know your availability for a call.

Thanks,
